List and Information of Homeopathy Colleges from India

This compilation is the complete list of Homeopathy Colleges from India and has been updated in the year 2013.

Information is provided at two levels. The first level is the basic information such as the address of the college. The second level information includes information such as the Courses Run, Admission Procedure, Established Date, Management details if available.

Most entries have been verified however there may be some entries that are old and that which are not updated by the college themselves.
